## Dear KOLKATA GREEN BOOK Users,

It gives us immense pleasure to present you the second edition of the Kolkata Green Book. This time, we are doubly overwhelmed by the response and support of our advertisers, since they have received good response from the market and customers, which in turn has increased their business volume by manifolds. It gives us great satisfaction and confidence to know that Kolkata Green Book has been able to generate an enormous number of positive inquiries for its subscribers. Truly, advertising in Kolkata Green Book has proved to be worth the value for money.

We convey our heartiest congratulations to the advertisers and users of the directory. We are highly grateful and indebted to them for their support.

A key feature is the 41 page City Guide along with maps of Kolkata and Salt Lake. The detailed entries on a number of heads like the Emergency and Utility Services, Transport etc. along with other important information, will enable you to access it accurately and to your satisfaction.

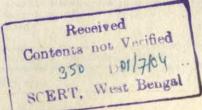

We are doing our best and using our expertise and utmost sincerity to enable the users derive reliable and correct information.

We are pretty sure that this second edition, like the earlier one, will cater for a wide range of inquiries, which will certainly enhance & boost the business of our customers. We trust and sincerely hope that you will find this new edition of Kolkata Green Book informative, useful and very much to your liking.

Wishing you and your families a happy and prosperous Bengali New Year.

## Inks that impart an exciting dimension to packaging

A captivating collection of Liquid / Offset / Screening inks from Hindustan Inks

We are Hindustan Inks & Resins Ltd. (HIRL). A part of the \$250 million Bilakhia Group, which has diverse interests in Printing Inks, Resins, Flushed Pigments and Crop Protection chemicals.

Incorporated as a company in the year 1991

HIRL has achieved leadership status in a very short span of time. Today, we are the largest manufacturer of printing inks in India with multilocational plants. The creator of a mega single-stream plant for 'seamless' manufacture of

inks. We have implemented SAP R3 Solutions to optimise System in all areas of operation and market information. Recently we have invested over US \$30 million in the creation of world size capacities for Printing Inks, Resins, Flushed colors and Alkali Blue in India.

With Our technological strengths, we aim to

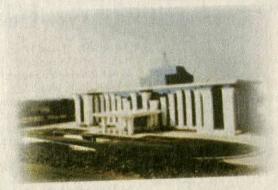

become a global player in the inks and its ingredients industry.

HIRL recently estlablished Micro Inks Corporation, a company in Chicago, USA, where it manufactures a variety of inks to cater to the large US market. This venture has proved

hugely successful with the company making decisive strides and is all set to be amongst the top five players in the UK ink industry soon.

At HIRL, our quest is total customer satisfaction. We therefore, are looking for ways

and means to delight our customers. Our extensive research and the foresight to match every possible printing need, has resulted in a wide product range. But this is not all. To meet every demand of a valued and discrening customer like you, we promise to continue enhancing this range.
